Don't worry-- Tails isn't going anywhere!

Yo, dudes and dudettes-- Video Vic and Pixillated Paul here once again to answer your inquisitive inquiries. When they told us it was time to sit down at our computers and write another letters page, they had to use a crowbar to remove us from our TV sets! That's because we're busy watching the animated adventures of our favorite blue hedgehog! You can catch the blue blur's cartoons Monday through Friday (check your local listings for channels and times), and Saturday mornings on your local ABC station! And when you finish watching, you might as well switch on your SEGA Genesis and play that radical ground-breaking game, SONIC SPINBALL (and if you don't have it, what are you waiting for? Add it to your Christmas/Hanukkah wish list FAST)! **Once again, a special reminder: we notice that many of you are sending money for Sonic subscriptions and addressing it to "Sonic-Grams". Please do <u>not</u> do this. Only fan letters should be addressed to Sonic-Grams, while subscriptions can be mailed to just plain old "Sonic the Hedgehog". This will enable us to properly handle your order, and therefore get your Sonic comics to you faster!** Now, scribbles from some scribes...

Dear Sonic Team,
By the way in Sonic The Hedgehog, TV Series, what happens to the fat and evil Dr. Ivo Robotnik? Sonic is the fastest, greatest superhero ever and he has a great comic book, too!

Dear Sonic,
Why are you so good looking and smart, and how old are you?

Love,

I've found that the only way to remain <u>good looking</u> is to be <u>smart</u> and never reveal your <u>age</u>!

Dear Sonic,
I have every single comic of yours. I love them! In your new series, I like issue two with Coconuts. I liked it when you and Tails played monkey in the middle. You should start an **A.ntoine H.aters C.lub!**

ANTOINE HATERS CLUB?! Sure, the Ant-man is annoying, but we don't <u>hate</u> him (after all, we do need someone to make coffee runs-- but seriously...)! Now a ROBOTNIK HATERS CLUB-- <u>that</u> has potential!...

Dear Tails,
I am a big fan of yours, and I think you're the best Freedom Fighter in Sonic's team. My second favorite Freedom Fighter is Bunnie Rabbot. My favorite story is "Tail's Little Tale" in issue #4. My second favorite is Rabbot Deploy in issue #3.
Keep up the good work Tails, and maybe you can outsmart Robotnik alone again in future comic issues! I hope to see more of Tails (my hero!) real soon!

Yo, Sonic Speedsters,
My name is Justin O'Hanley. I am 7 years old. I like all of your comics. I just got my first one a few weeks ago and I would like to see more of Al and Cal. Sonic and Tails are my favorite heroes I've ever seen. When I played your game I said it is the best game I've ever played. I hope I get all of the Sonic and Tails comics that there are.
